

/home/speno/AC4DC/include
/Constant.h

```
graph TD; A["/home/speno/AC4DC/include  
/Constant.h"] --> B["vector"]; A --> C["string"]; A --> D["cassert"];
```

The diagram illustrates a header file, `/home/speno/AC4DC/include/Constant.h`, which defines or includes three symbols: `vector`, `string`, and `cassert`. Arrows point from the header file box to each of these symbol boxes.

vector

string
