

/home/speno/AC4DC/include  
/EigenSolver.h

```
graph TD; A["/home/speno/AC4DC/include  
/EigenSolver.h"] --> B["vector"]; A --> C["Eigen/Dense"];
```

The diagram illustrates the include relationships for the file `/home/speno/AC4DC/include/EigenSolver.h`. Two blue arrows originate from the bottom of the top box and point to the top of the two bottom boxes, indicating that `EigenSolver.h` includes both `vector` and `Eigen/Dense`.

vector

Eigen/Dense
